# THE VETERINARY MEDICAL BOARD IS ACCEPTING APPLICATIONS FOR APPOINTMENT TO THE MULTIDISCIPLINARY ADVISORY COMMITTEE

***March 2015***

The Veterinary Medical Board (Board) is seeking candidates for appointment to its nine-member Multidisciplinary Advisory Committee (MDC). The Board is requesting letters of interest for potential appointment for two veterinarians, one registered veterinary technician, and one public member. The MDC term will begin upon appointment and will go through June 2018.

The MDC assists the Board in its deliberation of issues important to consumer protection and the veterinary medical profession in California. The MDC has recently worked on updating citation and fine guidelines and the minimum standards of professional practice. Members will be expected to attend three to four meetings annually. Upon appointment, MDC members are required to comply with all State requirements and submit disclosure documents (*Form 700*) on Economic Conflicts of Interest with the Fair Political Practices Commission.

Licensees interested in seeking appointment to the MDC should provide a letter of interest addressed to the Board and any supporting background information the candidate desires to submit. Background information may include letters of recommendation, the candidate's reasons for seeking appointment, a statement of understanding of the nature of regulatory bodies within the Department of Consumer Affairs or whatever other information the candidate believes is pertinent and would best assist the Board in making its decision on these appointments.

Please send letters of interest and any supporting information to the Board at:
