## Staff Update

The Board recently hired Justin Sotelo as the new Lead Administrative and Policy Analyst. Justin brings years of experience in administrative, licensing and management functions. He has completed numerous rulemaking packets and has assisted in streamlining multiple business processes. We are excited to welcome him to our team.

On December 31, the Board's receptionist, Julia Price, retired after serving multiple years with the Board. The team is very grateful for her hard work and dedication to the Board. We wish her a very happy retirement.

After reviewing several applications and conducting multiple interviews, the Board is in the final stages of filling the receptionist vacancy. We anticipate filling the position in early February.

## Budget

The Board's fund condition and most recent expenditure projection report for fiscal month 5 is attached for reference. The fund condition does include the recent emergency fee increase. Representatives from the Department of Consumer Affairs' Budget Office will review the Board's fund condition and expenditure with the Board and answer any questions the members may have during the Board meeting.
