AMENDED IN SENATE APRIL 27, 2011  
AMENDED IN SENATE MARCH 23, 2011

INTRODUCED BY Senator Lieu

FEBRUARY 18, 2011

An act to amend ~~Section 31253~~ Sections 30503, 30520, 31751.3, and 3176 0 of the Food and Agricultural Code, relating to dog licensing.

LEGISLATIVE COUNSEL'S DIGEST

SB 702, as amended, Lieu. Dog licensing: microchip implants.

Existing law requires that dogs that attain the age of 4 months be licensed and wear a collar to which an identification or license tag is attached. A dog that is found running at large without the identification tag or dog license tag may be seized and impounded by any peace officer. Existing law requires the owner of the dog that has been impounded to pay a fee to reclaim the dog. *Existing law also prohibits any public animal control agency or shelter, society for the prevention of cruelty to animals shelter, humane society shelter, or rescue group from selling or giving away to a new owner any dog or cat that has not been spayed or neutered.* A violation of these provisions is either an infraction or a misdemeanor, as specified.

~~This bill would additionally require an owner who seeks to reclaim a dog that has been impounded to provide proof of a current, valid license for the dog. The bill would also authorize the entity that has custody of the dog to implant the dog with a microchip identifying the owner of the dog or require the owner to take that action within 30 days of reclaiming the dog. prohibit any public animal control agency or shelter, society for the prevention of cruelty to animals shelter, humane society shelter, or rescue group from releasing to an owner seeking to reclaim his or her dog or cat, or selling or giving away to a new owner, a dog or cat that has not been microchipped, except under a specified circumstance . Because a violation of ~~this provision~~ these provisions would be a crime, the bill would impose a state-mandated local program.~~

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

Vote: majority. Appropriation: no. Fiscal committee: yes.  
State-mandated local program: yes.

THE PEOPLE OF THE STATE OF CALIFORNIA DO ENACT AS FOLLOWS:

SECTION 1. Section 30503 of the Food and Agricultural Code is amended to read:

30503. (a) (1) Except as otherwise provided in subdivision (b),

no public animal control agency or shelter, society for the prevention of cruelty to animals shelter, humane society shelter, or rescue group shall sell or give away to a new owner any dog that has not been spayed or neutered.

(2) (A) Except as provided in subparagraph (B), no public animal control agency or shelter, society for the prevention of cruelty to animals shelter, humane society shelter, or rescue group shall release to an owner seeking to reclaim his or her dog, or sell or give away to a new owner, a dog that has not been microchipped.

(B) If the public animal control agency or shelter, society for the prevention of cruelty to animals shelter, humane society shelter, or rescue group that has custody of the dog does not have microchipping available on the premises, that entity may release the dog only upon the condition that the owner, or the adopter or purchaser, shall have 30 days to present proof to the entity from which the dog was obtained that the dog has been microchipped.

~~(2)~~

(3) For the purposes of this section a "rescue group" is a for-profit or not-for-profit entity, or a collaboration of individuals with at least one of its purposes being the sale or placement of dogs that have been removed from a public animal control agency or shelter, society for the prevention of cruelty to animals shelter, or humane shelter or that have been previously owned by any person other than the original breeder of that dog.

(b) (1) If a veterinarian licensed to practice veterinary medicine in this state certifies that a dog is too sick or injured to be spayed or neutered, or that it would otherwise be detrimental to the health of the dog to be spayed or neutered, the adopter or purchaser shall pay the public animal control agency or shelter, society for the prevention of cruelty to animals shelter, humane society shelter, or rescue group a deposit of not less than forty dollars (\$40), and not more than seventy-five dollars (\$75).

(2) The entity shall establish the amount of the deposit at the level it determines is necessary to encourage the spaying or neutering of dogs.

(3) The deposit shall be temporary, and shall only be retained until the dog is healthy enough to be spayed or neutered, as certified by a veterinarian licensed to practice veterinary medicine in this state.

(4) The dog shall be spayed or neutered within 14 business days of that certification.

(5) The adopter or purchaser shall obtain written proof of spaying or neutering from the veterinarian performing the operation.
