

PROPOSED REGULATORY SCHEDULE 2010/2011

Regulatory hearings for Pending Actions may need to be postponed to July, October and possibly January 2013, due to the fact that the Board office is still operating at approximately 50% of its staffing allotment and other workload factors. The two priority projects for February through April are, 1) finalizing the rulemaking file for the proposed regulatory changes related to the Minimum Standards of Practice, including Section 2037, and 2) the Sunset Review Report in which all staff will be required to participate in compiling the statistical data. The priorities for the proposed actions listed below are up for discussion at the January Board meeting.
