**SUBJECT** **Multidisciplinary Advisory Committee Report**

---

**Background:**

A. Dr. Grant, Chair of the Multidisciplinary Advisory Committee (MDC), will provide an oral status report.

B. The Board moved its October meeting back one week from its originally posted dates for this meeting due to the deadlines associated with the Sunset Review Report. This caused some confusion and one of the two candidates for the MDC is not able to come to the meeting because of the change. Currently, the MDC does have a quorum and there is not a logistical urgency in filling the one vacancy on that committee. Therefore, in conjunction with the Board President, the decision was made to hold the interviews over to the January 2013, Board meeting. The two candidates who applied for this position have been notified.
