PURPOSE

This Candidate Information Bulletin is designed to provide you with general information about the California Registered Veterinary Technician (CRVT) written examination process, as well as an overview of the content areas in which you will be examined.

EXAMINATION DEVELOPMENT

The California Registered Veterinary Technician Examination is developed by the Veterinary Medical Board (VMB) with the guidance and technical assistance of the Office of Professional Examination Services (OPES), California Department of Consumer Affairs.

ESTABLISHING THE PASSING STANDARDS

A licensing examination determines whether an examinee is competent to practice, not whether the examinee performs better or worse than others who take the test.

In accordance with Business and Professions Code Section 101.6, the purpose of Boards, Bureaus, and Commissions is to "...establish minimum qualifications and levels of competency and license persons desiring to engage in the occupations they regulate upon determining that such persons possess the requisite skills and qualifications necessary to provide safe and effective services to the public, or register or otherwise certify persons in order to identify practitioners and ensure performance according to set and accepted professional standards."

ESTABLISHING THE PASSING SCORE

The passing score for each CRVT examination is established by a panel of practicing veterinarians and Registered Veterinary Technicians (RVTs), acting as subject matter experts, who are trained by an OPES test development and validation specialist in the use of a criterion-referenced standardizing setting procedure. These subject matter experts (SMEs) judge each exam item and assign a rating based on the probability that an entry-level RVT would answer the item correctly. These ratings are then averaged across SMEs and items, and the resulting mean is the passing score for the examination. The passing score thus reflects a fixed criterion for admission to practice; namely, minimally acceptable competence to practice safely as an RVT. Since the exam content changes, the passing score itself is not fixed from one administration to the next. The passing score will fluctuate moderately based on the difficulty of each item within the current form of the examination.

EXAMINATION ADMINISTRATION BY PSI

The State has contracted with PSI licensure:certification (PSI) to conduct its examination program. PSI provides examinations through a network of computer examination centers in California.

All questions and requests for information about examinations should be directed to PSI.

PSI personnel will attempt to contact you in this situation. However, you may check the status of your examination schedule by calling (877) 392-6422. Every effort will be made to reschedule your examination at a convenient time as soon as possible. You will not be penalized. You will be rescheduled at no additional charge.

SOCIAL SECURITY NUMBER CONFIDENTIALITY

PSI will use your social security number only as an identification number in maintaining your records and reporting your examination results to the state. A Federal law requires state agencies to collect and record the social security numbers of all licensees/registrants of the professions licensed/registered by the state.

SPECIAL ACCOMMODATIONS AVAILABLE

AMERICANS WITH DISABILITIES ACT (ADA)

Examinees with a physical or mental impairment that limits a major life activity may be eligible for accommodation in the testing process that will provide the examinee with an equal opportunity to demonstrate possession of the knowledge required for the job. "Major life activities" include walking, seeing, hearing, speaking, breathing, learning, working, caring for one's self and performing manual tasks. PSI is fully compliant with ADA guidelines and will provide reasonable accommodations. Scheduling services are also available via the Telecommunications Device for the Deaf (TDD) by calling 800.735.2929.

ACCOMMODATION PROCEDURE

Examinees requiring special testing arrangements due to a physical or mental impairment must submit a request to the VMB for such arrangements. This request must be on a special form provided by the VMB and include supporting documentation from a physician or other qualified professional as specified on the VMB request form. PSI will provide auxiliary aids and services as approved by the VMB except where it may fundamentally alter the examination or results.

REPORTING TO THE EXAMINATION SITE

On the day of the examination, you must arrive at least 30 minutes prior to your scheduled appointment time. This allows time for check-in and identification verification and provides time to familiarize yourself with the examination process. If you arrive late, you may not be admitted to the examination site and you may forfeit your examination registration fee. Even though candidates will be thumb printed, you are still required to comply with any identification requirements established by the appropriate regulatory entity.

REQUIRED IDENTIFICATION AT EXAMINATION SITE

Failure to provide appropriate identification at the time of the examination is considered a missed appointment, and you will not be able to take the examination.

If you cannot provide the identification listed above, you must contact the VMB before scheduling your appointment with the testing vendor.

VMB SECURITY REQUIREMENTS

The VMB and the OPES are committed to maintaining the security and the confidentiality of all examination materials during every phase of development, implementation, and storage. If an examinee is found in violation of any security procedure, the following actions may be taken: the examinee's results may be delayed; the examinee's examination materials may be voided; and/or the examinee's application for future examinations may be denied. The VMB strictly enforces examination security and will prosecute any individual who has been determined to be in violation of statutes pertaining to security.

Examinees are neither permitted to discuss the content of the examination nor remove examination materials from the testing sites at any time. All examination materials are confidential.

An examinee taking the CRVT examination is required to follow the provisions of Business and Professions Code Sections 123, 496, and 584 and is NOT allowed to do any of the following:

- Impersonate another to take the examination on that person's behalf;
- Communicate examination content with another examinee or with any person other than the examination staff;
- Reproduce or make notes of examination materials and/or content and reveal them to others who are preparing to take the CRVT examination, or to those who are preparing other examinees to take such an examination; and
- Obstruct the administration of the examination in any way.
- Use any reference materials. Candidates found with reference/study materials or other aids will not be allowed to continue the exam and their answers will not be scored.
- Telephones cannot be accessed during optional breaks.

IMPORTANT INFORMATION ABOUT TAKING AN EXAMINATION

1. All candidates will have their thumbprint taken during examination check-in and re-entry into the testing room after an approved absence. If a candidate passes the examination, the thumbprint record will be destroyed. If a candidate abandons his or her application for licensure, as determined by the appropriate regulatory authority, the thumbprint will also be destroyed. If a candidate is unsuccessful, the thumbprint record will be retained by PSI to ensure proper identification on any subsequent examination attempts. If the thumbprint doesn't match upon exit and re-entry, the candidate shall be disqualified from the examination, his or her test results invalidated, and the appropriate regulatory entity will be notified of the occurrence. The taking of the thumbprint is an additional measure to enhance examination security. The Department's Office of Professional Examination Services shall ensure that the appropriate safeguards for the storage and destruction of the thumbprint records are in place.
2. The temperature in the testing room is maintained at a moderate level. Candidates are advised to layer clothing. Acceptable layered clothing includes lightweight shirts, sweaters, and pullovers without pockets. These items must be worn upon check-in, while you wait to enter the testing room, and during your initial seating for the examination.
3. There are timing mechanisms available at the test site and on the computer console to help candidates keep track of time during the test administration. Watches or other timekeeping devices are not permitted in the examination rooms.
4. Only one candidate will be allowed to take a restroom break at a time. Candidates are required to sign out when you leave the room and when you return. If a candidate's restroom break takes longer than 5 (five) minutes, a proctor will check on the candidate and will notify the applicable regulatory entity of the occurrence, which will take appropriate action.
5. The following items are not permitted in the examination rooms:
 - Cellular telephones, personal digital assistants (PDAs), recording devices, cameras, pagers, purses,

notebooks, notebook computers, reference or readings material, music players, radios, electronic games, calculators, or briefcases.

- Personal items including watches, backpacks, wallets, pens, pencils, or other writing devices, food, drinks (unless prior approval is obtained by your regulatory entity) and good-luck items.
- Hats, baseball caps, or visors (with the exception of religious apparel), coats, shawls, hooded clothing, heavy jackets or overcoats.

During the check-in process, all candidates will be asked if they possess any of the prohibited items and all candidates will be asked to empty their pockets. If prohibited items are found during check-in, candidates shall return these items to their vehicle or other place of safekeeping. Neither PSI, nor the Department of Consumer Affairs, shall be responsible for the items. Any candidate possessing the prohibited items in the examination room shall have his or her test results invalidated, and PSI shall notify the appropriate regulatory entity of the occurrence.

6. Copying or communicating examination content is a violation of PSI security policy and existing law. Either one shall result in the disqualification or invalidation of examination results, the denial of your license, and may subject the candidate to criminal prosecution.

IDENTIFICATION SCREEN

You will be directed to a semiprivate testing station to take the examination. When you are seated at the testing station, you will be prompted to confirm your name, identification number, and the examination for which you are registered.

TUTORIAL

Before you start your examination, an introductory tutorial to the computer and keyboard is provided on the computer screen. The time you spend on this tutorial, up to 15 minutes, DOES NOT count as part of your examination time. Sample questions are included as part of the tutorial so that you may practice using the keys, answering questions, and reviewing your answers.

One question appears on the screen at a time. During the examination, minutes remaining will be displayed at the top of the screen and updated as you record your answers.

EXAMINATION QUESTION EXAMPLE

During the examination, you should press 1, 2, 3, or 4 to select your answer. You should then press "ENTER" to record your answer and move on to the next question. A sample question display follows:

TAKING THE EXAMINATION BY COMPUTER

Taking the PSI examination by computer is simple. You do not need any computer experience or typing skills. You will use fewer keys than you use on a touch-tone telephone. All response keys are colored and have prominent characters. An illustration of the special keyboard is shown here.

IMPORTANT: After you have entered your responses, you will later be able to return to any question(s) and change your response, provided the examination time has not run out.

CANDIDATE EXPERIENCE FEEDBACK

The VMB welcomes constructive feedback from examinees regarding their examination experience. Feedback and complaints must be submitted in writing within 30 days after the examination to: Veterinary Medical Board, 1747 N. Market Blvd., Suite 230, Sacramento, CA, 95825. All correspondence should include the examinee's name, address, daytime telephone number, name of examination and date taken, examination site, and Veterinary Medical Board ID number.

If you experience any disruption or problem during your examination, it is your responsibility to notify a proctor immediately so that the situation may be resolved, if possible. If a disruption or problem occurred which you believe impacted the outcome of your examination, you must

document your concerns on the exit survey at the end of your examination and submit your concerns in writing to the VMB. Include your name, Social Security number, VMB ID number, and date and location of examination. Describe your concerns and the relevant facts.

The VMB will respond to written concerns within 30 days of receiving them. During these 30 days, your concern will be thoroughly investigated.

EXAMINATION REVIEW

The VMB/DCA will be continually evaluating the examinations being administered to ensure that the examinations accurately measure competency in the required knowledge areas. The VMB welcomes your comments and feedback, particularly in reference to test items. If you wish to comment on a specific test question, these comments may be entered on the computer keyboard during the examination. While PSI does not respond to individuals regarding these comments, all substantive comments are reviewed by the VMB.

POST EXAM SURVEY

The post exam survey contains questions regarding the service received when scheduling your exam and your testing

experience. The VMB reviews all survey responses and any additional comments that are indicated on this survey.

EXAMINATION QUESTIONS

The CRVT examination contains no fewer than 50 scored multiple-choice items.

Candidates will have one hour to complete the examination.

EXAMINATION RESULTS

At the end of your examination, you will receive a printed score report. Scores are provided whether you pass or fail. Your test results are confidential and are released only to you and your state licensing agency. To protect your privacy and to maintain the confidentiality of examination results, score information is not given over the telephone.

A score report indicates the examinee's overall raw score, and the number of correct answers necessary to pass the examination.

AFTER PASSING THE EXAMINATION
