The California PDMP-Direct Dispense Application is available for CA Dispensers!

Atlantic Associates, Inc (AAI) is pleased to announce that the CA Prescription Drug Monitoring Program (PDMP), Direct Dispense Application is now available.

This application is mainly for Direct Dispensers and Pharmacies that **do not** have a software vendor or do not have the ability to create the required *ASAP 4.1 format .txt* file. The instruction guide and registration can be found at www.aaicures.com.

IF YOU HAVE ALREADY REGISTERED, DO NOT REGISTER AGAIN. Users may go directly to www.aaicures.com to login. Login in with your DEA (username) and State License (password) numbers, which were provided when registering. Once you have logged in *you will* be required to change your password. If you are having trouble logging in, please send an email to cacures@aainh.com, subject: Problem with login. Include contact name and DEA number in the body of the email, for identification.

IF YOU HAVE NOT already registered with us, please go to www.aaicures.com. Click on the Registration link.

Notice of Reporting Changes to CURES Program

Effective immediately, MS Excel spreadsheets (includes MS Excel files saved as a .txt) and paper submissions, including zero reports submitted via email or fax, ***will no longer be accepted***. You will be required to submit this data through the CA PDMP Direct Dispense Application online.

Pharmacies and Dispensers, which currently submit files to AAI via the secure FTP using an ftp client, may continue to do so. All submitters will continue to receive file notifications as usual. This does not include MS Excel spreadsheets.

Effective March 1, 2013, Atlantic Associates, Inc (AAI) will implement new edits to the ***additional fields***, outlined in the updated CURES Handbook, as mandated by the CA Department of Justice and CA Board of Pharmacy.

AAI *has* notified the pharmacy and/or dispenser software vendors that are on their distribution list, they will have until February 28, 2013 to make modifications to software. After February 28, 2013, all records will be rejected for missing or invalid information. Please refer to the [CURES Handbook](#) for required changes.

You may contact us at anytime by sending an email to,

facility (i.e. pharmacy, hospital, prison, etc..) please use the facilities' license number, not the individual user registering for access. ALSO, include the *entire* license number, i.e. PHY12345.
